September 2014

I hope everyone had a great summer! Mine was jam packed.

I was thrilled to return to SDCC 2014 to speak on 2 hit panels: Spark Your Creativity and The Next Chapter for ElfQuest. I was proud to share the stage with such remarkable and innovative women on the Spark Your Creativity panel, where we discussed the business of creating more female-driven content for the web and for TV. Watch the panel here: youtube.com/watch?v=K2A8805GLXk&feature=youtu.be. I also shared the latest developments for ElfQuest, the 36 year old epic fantasy series that I hold the Film/TV rights to.

It was an honor to be a judge and presenter for the 2nd time at the 2014 Geekie Awards. With 83 entries in the web series category, picking a winner was a definite challenge!

As a steampunk Scarlet Witch at the
Labyrinth of Jareth Masquerade Ball

The Labyrinth of Jareth Masquerade was the perfect opportunity to let loose my inner Scarlet Witch - this time with a retro steampunk vibe!

Watch the 1st Season of The Ladies & The Gents

Up next, Season 2 of my series The Ladies & The Gents and an appearance at Stan Lee's Comikaze Expo from Oct. 31st - Nov. 2nd. I even squeezed in some time to research a potential underwater series!

Hope you had a great summer and here's looking forward to a busy fall!
