July 2016

It's been a busy year so far! I finished last year in Paris, where I took in the sites, got to take amazing cooking classes, all while doing preproduction for a lifestyle show. I also got to explore the global Star Wars phenomenon and wrote about it for the site, Legion of Leia. Check out my article:

Then it was back to LA for WonderCon 2016, where I appeared on the panel, "Spark Your Creativity: A Call to Action!" with Patty Robinson (Pike & Trident), Jenny Lorenzo (Buzzfeed, Geekgasm), Heidi Cox (Stalking LeVar), and Kristen Nedopak (The Geekie Awards, The Skyrim Parodies).

It was lovely to chat with Jo Barzath on her podcast, “Her Process”, about acting, producing, tips for auditions, creating content for the web, and the importance of social media for today’s artists. Listen to the podcast here:

Up next, I’m thrilled to announce that I’ll be returning to San Diego’s Comic-Con for the hit panel “Spark Your Creativity” with producing partner Paula Rhodes (The New Adventures of Peter & Wendy), Stephanie Pressman & Heidi Cox (Stalking LeVar), Jenny Lorenzo (Buzzfeed, Geekgasm), Helenna Santos Levy (Ms In The Biz), Kristen Nedopak (The Geekie Awards), and Camille Falciola (Remain Calm). Join us on Friday July 22, 2016 at 3pm at Pacific 24, North Tower, Marriott Marquis & Marina Hotel.

I’ve also got some great new projects on the go, including a new commercial and indie film! I’m most excited about partnering with America Young on a new project - we’ve secured the rights to an epic true life story of an amazing woman circa 1910, so I’ll be getting back to my academic history roots. I feel it’s vital to highlight not only futuristic superheroines, but real superheroines of our past. We wouldn’t be here without them. Hope all is well with you and I look forward to connecting again soon!
